

ES/ GS Bench™ Custom Graphic Requirements

Artwork may be submitted by postal mail, electronic mail (email), or we can take it from an existing website. Electronic mail is the most preferred method. If you require a new design to be created, please contact our art department for a competitive quote.

Submitting Artwork by Postal Mail

Send your film positive, letterhead, business card or other printed matter to us at the address below. Be sure to include the actual color(s) you would like to have included so they can be accurately matched. If you want us to send your materials back, please include a note indicating so. Your materials will either be scanned or re-created so it is important to submit high-resolution artwork that is clear and legible.

Mail your materials to:

*Triad Technologies, Inc., Attn: Art Department, 105
Spencer St., Syracuse, NY 13204-1333.*

Submitting Artwork by E-Mail

We use PC based platforms and prefer VECTOR artwork to RASTER artwork and in these file formats:

- Adobe Illustrator .AI
- CorelDRAW .CDR

We MAY be able to use the following formats but cannot guarantee their usage:

- .TIF
- .EPS
- .JPG
- .PDF
- .BMP

Please also be sure to include your fonts used for text or convert them to curves.

All electronic artwork and questions can be submitted to our art department at artwork@triadtec.com.

Size & Graphical Limitations

Graphics on Bench Ends (Vinyl-Cut):

- o Size cannot exceed 9" x 9"
- o You can choose as many or as few colors as you wish
- o Colors selected will be matched as closely as possible but cannot be guaranteed.

Bench End (same on opposite side)

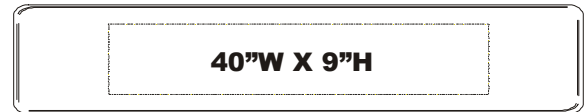

Graphics on Bench Top (Screen-Printed):

- o 4' Model> Size cannot exceed 9" X 24"
- o 6' Model> Size cannot exceed 9" X 40"
- o Each color selected will be matched as closely as possible but cannot be guaranteed unless a Pantone PMS code is supplied
- o Fine outlines of a different color or difficult registrations cannot be duplicated effectively. It is highly recommended that when requiring a multi-color design, the colors do not come into contact or within 2 inches of each other
