

DECK STOR-A-WAY®

Pool-side Storage

Why choose the Deck Stor-A-Way®?

The variety of aquatic accessories is mushrooming! Loose equipment on the deck can increase the chance of costly accidents. Moving equipment from place to place reduces valuable class time and increases the instructor's workload.

- ✓ **Convenience**- Store and transport your equipment in one convenient place indoors or out!
- ✓ **Safety**- Reduce accidents by keeping pool equipment off the deck area and safely stored away!
- ✓ **Security**- Full-height locking door lets you totally control access to your equipment!
- ✓ **Quality**- Constructed of high impact ABS plastic with a special fade resistant UV coating and a rugged fiberglass base for added stability!
